## REQUEST FOR ADVANCE PAYMENT

Please read all information concerning a request for Advance Payment of veteran education benefits.

If you would like more information please email FTCC's Veterans Services Office at [vso@faytechcc.edu](mailto:vso@faytechcc.edu) or call 910.678.8395.

- I understand requesting an advance payment does not guarantee that a check will be sent prior to the first day of term.
- I understand I must be enrolled at least half time for the semester to receive an advance payment.
- I understand the advance payment will be prorated amount equivalent to two months of VA Educational Benefits that will be mailed directly to Fayetteville Technical Community College.
- I understand I must have tuition and fees paid by the FTCC payment deadline (approximately one week prior to the first day of classes) or I will be dropped and VA funds will need to be returned directly to VA.
- I understand I must come to the FTCC Business Office to pick up the advance payment check.
- I understand I will not receive another payment until the end of the third month in the term.
- I understand if I request advance payment and then drop classes, any money received will be owed directly to VA.
